Employment

Digitas LBi NOV 2015 - PRESENT

Experience Designer:

Matchstic SEP 2015 - NOV 2015

Graphic Design Intern: I completed in-house projects and contributed to client work through creating mood boards, conceptualizing, wireframing, sketching and visual system application.

Modern & Smart Design Agency MAY 2014 - DEC 2014

Designer: I created logos, website mockups, business cards, and other brand collateral for clients.

Rocket City Hatchers MAY 2014 - JUL 2014

UI Intern: I attended meetings and assisted with product design, mainly focused around the company's own website and mobile application.

Auburn University Campus Recreation MAY 2014 - JUL 2014

Group Fitness Instructor, Indoor Cycling: Leading group exercise has instilled in me discipline, leadership, and professionalism. It also taught me how to motivate individuals and boost moral to change the energy of all participants in the room.

ASENZ Marketing JUN 2013 - JUL 2013

Production Intern: I learned about production work in adobe programs, cutting assets for websites, the basics of marketing and on occasion, contributed ideas to client logos and websites.
